General questions of otolaryngology

A. A. Korneenkov, Yu. K. Yanov, E. E. Vyazemskaya, A. Yu. Medvedeva
Issues of integrating medical bioinformatics technologies into otorhinolaryngology: challenges and software solutions 8

Rhinology issues

E. G. Portenko, R. A. Trigubenko, K. B. Dobrynin
Immune mechanisms in infection-dependent allergic rhinitis: role of cytokines and chemokines 20

V. I. Egorov, O. M. Kurbacheva, E. Yu. Savushkina, G. R. Setdikova, M. E. Dyneva, I. P. Shilovskii, E. D. Timotievich, V. I. Kovchina, A. A. Nikol'skii, M. U. Magomedov, M. R. Khaitov
Role of epithelial alarmins in remodeling of mucous membrane of nasal cavity and paranasal sinuses in different phenotypes of polypous rhinosinusitis 24

V. V. Pedder, V. M. Svistushkin, E. V. Khrustaleva, S. I. Shchukin, S. V. Morozova, T. V. Solomatina, V. K. Kosenok, Zh. Massard, M. V. Svistushkin, A. V. Pedder, S. P. Popov
Prevention and treatment of covid-19 and similar infections by domestic methods of biological and medical engineering 33

S. G. Vakhrushev, E. A. Ermaikina, A. S. Smbatyan
Modern view on anatomy and physiology of olfactory analyzer 45

Diseases of the lymphoepithelial pharyngeal ring and neck

Ya. A. Nakatis, M. A. Rymsha, V. S. Isachenko, T. M. Shishkunova
Modern approaches to outpatient treatment of patients with chronic tonsillitis 54

E. E. Koren', Yu. E. Stepanova
Comorbid pathology in clinical practice of phoniatrist 60

I. A. Osipova, V. V. Vavin, P. I. Novikov
Clinical variants of laryngeal and tracheal lesions in granulomatosis with polyangiitis (Wegener's). Original research 68

Otiology

N. E. Kuznetsova, A. P. Yastremskii, A. I. Izvin, M. N. Ponomareva, I. M. Veshkurtseva, E. A. Sukhova, K. A. Kukin, O. Yu. Vakukh
Otogenic intracranial complications: prediction methods in children 90

V. E. Kuzovkov, A. S. Lilenko, S. B. Sugarova, P. A. Luntovskaya, P. R. Kharitonova, Yu. S. Korneva
Experience of cochlear implantation in patients with chronic suppurative otitis media 98

Reviews

Kh. M. Diab, O. A. Pashchinina, P. A. Lagieva, O. S. Panina, A. E. Mikhalevich
Advantages of endoscopic assistance surgery of petrous bone cholesteatoma 106

O. M. Ignatova, O. V. Karneeva, A. S. Yunusov, D. P. Polyakov, P. I. Belavina
Modern review of predictors of development and severity of juvenile-onset recurrent respiratory papillomatosis. 116

V. G. Mironov, R. G. Makiev, I. V. Mironov, P. M. Sheshegov, L. P. Slivina, V. N. Zinkin
Features of contusion blast injury in modern combat conditions: etiopathogenesis, clinical picture, military medical examination 125
